RISEING SUN

Formerly known as the land  
ing formerly held by Edward H.  
and also adjoining the land of  
John H. known by the name of  
Hill, containing together some  
500 acres. These lands have  
all been enclosed by a good fence,  
much improved by plaster and  
which operate with very great  
effect.  
The soil is generally of a rich  
is susceptible of great fertility by  
cultivation. Best of tobacco is  
the neighbourhood, especially on  
of this quality. There have been  
improvements added to the house  
many other conveniences erected,  
it has been in the hands of the  
possessors.

A credit of one, two and three  
will be given to the purchaser, on  
ing one fourth of the purchase, on  
day, and annual interest on the  
paid portions.

Also for sale the land formerly  
by Henry H. Brown, called "Pro-  
Plains," containing about 270 acres,  
which Mr. Welch now resides, on  
certain covenants. This land is  
advantageously situated on the  
of the Severn, with a most conven-  
landing on Plum Creek, land  
Plaster, and yields tobacco of ap-  
quality. This tract will be sold on  
same terms of payment as the pre-  
ing ones—and if the whole be not  
by private contract, before the  
Monday in October next, they will  
that day, at 10 o'clock, be sold by  
lic Vendue at the Rising Sun stand.  
Apply for particulars to Mr. J.  
Pollard, on the premises, to Mr. Jo-  
Sands in Annapolis, or to the Sub-  
bers in Baltimore.

I also offer for sale the land

BODKIN NECK,

on the river Patuxent and the  
containing upwards of 1100 acres.  
This land is held by tenants under  
tain covenants, yielding \$700 a year.  
A part of it has commodious dwell-  
on it, and is in a high state of im-  
ment. The supply of manure by de-  
positions from the Bay, is beyond  
wants of the land. There is an ab-  
dance of deer and wild turkey on  
land, and a great portion of it is in  
of second and original growth  
vicinity to Baltimore; its fisheries,  
other circumstances independent of  
value as a farm, give it great ad-  
tages.

I will also sell all the lands that  
known by the name of "The Coun-  
on and Howard's Fancy," lately held  
Major T. Dorsey, and Mr. Yealdb  
adjoining the Blackhorse tavern, 2  
miles from Annapolis. They con-  
together, about 600 acres, and con-  
tute one of the first positions for a  
of any location in that section of  
country.

The quality of the soil is a red lo-  
similar to the best lands on West Ri-  
Plaster and clover will in one year  
duce great fertility, and wheat may  
raised on it, yielding a great crop.  
may be seen by the crops within  
neighbourhood on lands of similar  
lity. There are the best natural  
dows on this farm, of any in the ne-  
bourhood. A long credit will be g-  
to the purchaser for the greatest  
of the money. Apply to Mr. Jo-  
Sands in Annapolis, or the Sub-  
in Baltimore.
